Title of the contract

Invitation to Submit Proposals for Visitor Facilities and Wildlife Attractions to be Funded by up to 45% from the European Union

Description of the contract

CCW wishes to invite proposals for visitor facilities based around natural heritage or wildlife attractions. These will include visitor centres of various kinds or improvements to existing centres. The CAN strategic project is able to provide up to 45% funding from the European Union for suitable schemes. This call for proposals is different from the two previous rounds under CAN in that it is not based on procurement. Rather, it involves selecting organisations with good ideas to become 'joint sponsors', a term that is explained in more detail in the specification.
